## **Important Announcements**

### **On-line Scholarship and College-Major Match Search Engines**

- Try the above links in order to search for nationally listed scholarships.
- Save time and money by trying a personality survey at [www.collegeboard.com](http://www.collegeboard.com) under the College Planning tab or grab a listing of free websites that offer this service in the front of the guidance office. Use [www.bls.gov/oco](http://www.bls.gov/oco) to search for career specifics.

### **Institutional Scholarships**

Search the colleges' web sites for links to scholarship opportunities that apply when you are accepted. Each college lists its criteria for renewable freshman scholarships on its web site. Be sure to apply by the Scholarship Consideration Deadline, not just the Regular Admission Deadline

### **FAFSA**

- A student may submit his or her FAFSA data after October 1, 2017. Begin with your parent/guardian by creating an FSA ID. The Guidance webpage has a Power Point presentation on documents needed, the FAFSA process, and has some helpful tips on affording college.
- Placing a New Jersey Public University first in the choice of colleges or technical schools the student lists to receive the report will qualify you to be considered for state aid in addition to federal aid.
- Keep in mind that merit and local scholarships often require filing a FAFSA.

### **SAT**

**Cape May County Technical High School's school code (CEEB Code) is 310207**

**Be sure to indicate the school code on your SAT registration so that your scores will be reported to the guidance department and included on your transcript.**

**\*\*The student must also send scores to the college(s) and anywhere you are applying should they need them for an admission decision.\*\***
