

2018 Summer Reminders

SBYS is not responsible for items lost or damaged. Students are asked NOT to bring expensive or valuable items.

When kayaking, students are encouraged NOT to bring any items that cannot get wet. Students will be encouraged to leave their cell phones in the van. Students are also asked NOT to bring expensive sunglasses or other valuable items that could get lost in the water. For kayaking, students will be required to wear a life vest which will be provided.

Students are encouraged to bring drinks and snacks for trips unless otherwise noted on the permission slip. Some places will not allow outside food, but students may eat and drink in the van to and from activity.

Students will be representing the school on all trips. Students should be appropriately dressed. Students should respect themselves and others.

No short-shorts, ripped clothing, offensive T-shirts. Bathing suits should cover necessary body parts, and tank tops should not show undergarments. If staff feels student is not dressed appropriately, it will be addressed with the individual. After being spoken to, and inappropriate dress continues, the student may be asked not to attend future trips.

We are a year-round program. Individual and Family Counseling will continue to take place throughout the summer. Simply call to make an appointment. If you leave us a message on ext. 686, a staff member will contact you even if the individual you are trying to reach is unavailable.

Trips are Free unless noted; Money will be due at sign up. If money is a challenge, please give us a call.

All trips require that you sign up prior to the day of the trip. There are a limited number of spots available and are based on a first-come, first-served basis. Often we have a waitlist. If for any reason you are unable to go, please notify SBYS so we may give another student the opportunity to attend. You may call 380-0209 x686 during school office hours (8-3 Monday to Friday). For cancellations after hours, call 609-425-6542.

Permission slips must be signed for each activity. In addition, students must have a signed SBYS program consent.

*** If you want to receive SBYS updates and reminders via e-mail, please drop us a line at nhiers@capemaytech.com
