INSTITUTION: Cape May County Technical School

PROGRAM(S) TO BE REVIEWED: Dental Assisting

The Cape May County Technical School's Dental Assisting Program is scheduled for a Commission on Dental Accreditation site visit on May 4 & 5, 2023.

The United States Department of Education (USDE) procedures require accrediting agencies to provide an opportunity for third-party comment, either in writing or at a public hearing (at the accrediting agencies' discretion) with respect to institutions or programs scheduled for review.

All comments submitted must pertain only to the standards relative to the particular program being reviewed or policies and procedures used in the accreditation process at least 60 days prior to review. Comments will be screened by Commission staff for relevancy. Signed or unsigned comments will be considered. For comments not relevant to these issues, the individual will be notified that the comment is not related to accreditation and, where appropriate, referred to the appropriate agency. All relevant comments will have names and/or signatures removed.

Individuals who are interested in submitting third party comments, may contact the Commission office for submission guidance. Third party comments should be emailed to the appropriate Commission staff; comments should not be sent to the Commission office via the US Postal Service. Please email comments to the appropriate CODA staff. Staff emails are found at: <https://coda.ada.org/about-coda/coda-staff>.
