## COVID-19 Travel Advisory to Cape May County Technical School Students and Families

Updated November 2, 2020

Greetings Tech Community,

With November here and December around the corner, students and their families often take time to vacation due to shortened and extended breaks in our school calendar. We understand the importance of spending time with family and friends, but unfortunately pandemic restrictions prevent students from returning for in-person instruction at the High School if they traveled to a State for more than 24 hours that requires a 14 day self-quarantine upon return to New Jersey.

If a student has traveled to an area of high community transmission or a location or State that requires quarantine upon return to New Jersey for more than 24 hours, the student is REQUIRED to remain home from school for 14 days from the date of return to New Jersey. Please notify the High School if your student is quarantining due to pandemic travel restrictions. Please check the links below prior to traveling regarding current travel restrictions.

- [New Jersey Travel Advisory List](#)
- [COVID-19 Travel Recommendations by Destination Outside of the United States](#)

Again, students must remain home from school to self-quarantine for 14 days from the date of their return to New Jersey, if they have traveled to a State or location for more than 24 hours that requires quarantine upon return to New Jersey. Students that are required to self-quarantine should attend classes virtually online for the duration of their quarantine period.

We are one family, one school, one community in this together, but we ALL must remain focused on ensuring the health, safety, and welfare of our students, faculty, and staff. We would like to thank everyone for their continued support and understanding as we continue to navigate this challenging time.

Thank you,

*Dr. Nancy M. Hudanich*
