Dear Tech Parent/Guardians,

I am writing to inform you of a new opportunity established by Governor Phil Murphy (P.L. 2020 c.41) called the Bridge Year Pilot Program. This program pertains to students who are members of the graduating class of 2021 or 2022 and will have met all their state and local graduation requirements. Students may choose to defer graduation from high school for one year to participate in an additional year of course work and extracurricular activities immediately following their senior year. This additional year will be known as the “Bridge Year”. During the student’s bridge year, the student must remain enrolled in the high school they attended as a junior.

Please contact the Technical High School’s Liaison for the Bridge Year Program, Ms. Denise Procopio, Director of Guidance, if you would like more information about the program at dprocopio@capemaytech.com.

Resources for additional information may be found at the [Bridge Year Webpage](#) or the [Tech Website](#) under Parent Resources .

Sincerely,

Nancy M. Hudanich
