Dear School Community:

This letter is to notify you that an individual in our school district has tested positive for COVID-19. We are keeping the family in our thoughts and hoping for a speedy recovery.

In accordance with New Jersey Department of Health (NJDOH) regulations, our district has reported this information to the New Jersey Department of Education (NJDOE) and to our local health department. We are working with the health department and are taking all recommended steps to ensure the safety of our students and staff. A few of the steps we are implementing in cooperation with the local health department include:

- This individual will not return to our district until they have completed isolation procedures for COVID-19 as mandated by the NJDOH and found in our Reopening Plan as well as other required steps needed for medical clearance.
- Contact tracing measures have been implemented and any staff or student who was possibly exposed to this individual has been notified and referred to the Department of Health for additional guidance.
- We will be following all recommendations from the Department of Health as indicated in our district Reopening Plan which can be found on our website at www.capemaytech.com
- Families and staff will continue to be updated if additional steps need to be taken by our district.

Please reach out to our High School Nurse, Ms. Zipparo by phone at 609-380-0200 ext. 658 or email lzipparo@capemaytech.com with any questions or concerns regarding this notification.

Sincerely,

Nancy M. Hudanich
