Dear School Community:

Cape May County Technical School District (CMCTSD) is required to create and share a Safe Return Plan for the reopening of Cape May County Technical High School in September 2021 in order to receive funds from the American Rescue Plan (ARP) Act. Prior to the finalization and submission of the Safe Return Plan, the District is required to share its Plan with stakeholders for comment. The District will continue to revise its Plan as guidance and existing Executive Orders are amended, changed, and/or rescinded. The District will continue to keep our stakeholders informed of revisions and any new guidance received from the New Jersey Department of Health and the New Jersey Department of Education.
