CL 4: Vo-Tech/Public Academy – When a student-athlete transfers to or from a Vocational/Technical High School to or from the district school where the student resides the student is eligible immediately provided such assignment is by the Board of Education of the district where the student resides and the student satisfies all other eligibility regulations.

- 2. Residency. The home schooled student must reside in the school district that serves the high school and must meet the residency criteria pursuant to N.J.A.C. 6A:22 and provide proof of residence as required by the local school board. In school districts that serve more than one town a home schooled student must be assigned to the school of record in the same manner as other students.*

- 4. Compliance with local requirements. The home schooled student must comply with the same physical examination, insurance, age, academic and other requirements for participation as required of all students at that high school. The home schooled student must adhere to the same standards of behavior, responsibilities and performance as other members of the team.*

Home schooled students must meet all eligibility requirements established by the NJSIAA, including but not limited to rules relating to amateur status, age, recruitment, academic credits, semesters of eligibility and transfers.
