**Physical Examination Requirements**

The Cape May County Technical School District reviews all required medical documentation necessary for students entering the CMCTSD. The Cape May County Technical School District will supply the physical examination papers that each student must have completed in full prior to the class orientation.

Your physical packet will contain three pages. Pages 1 & 2 are general information that you complete and page 3 of the physical packet you need to take to your physician for completion.

**PLEASE NOTE: If you are entering one the following programs you will have an additional page that will need to be completed and is quite extensive.**

Dental Assisting  
Early Childhood  
Practical Nursing

Please review the list of health requirements, gather your documentation of vaccinations, physical exam and any labs you may already have and/or make plans now to complete the remaining requirements, which are listed below.

The following information is provided for your convenience:

**Pages 1 & 2: General Health Information**

Completed, signed & submitted by individual applicant at interview/orientation.

**Page 3 & 4: Physical forms to be completed by physician and required unconditional program acceptance and for clinical participation.** Please note the Physical forms must be filled out in its entirety by your physician and a copy of the associated lab report needs to be attached.

The following is the information that you will need to obtain:

1. Tuberculosis Screening (A two-step Mantoux)
2. Hepatitis B Immunization 3 step vaccine or declination, (which is not advised for healthcare workers)
3. Tetanus/Diphtheria Booster
4. Positive Titers for Varicella, Rubella, Rubeola and Mumps-Igg, Hepatitis B (if immunization was completed prior to enrollment.

Please note: Immunization Records may be requested from schools you have previously attended, county health department records, military records, or your physician. Immunization records do not replace titer requirements.
