- Math 180
- Achieve3000
- NewsELA
- IXL
- Peardeck
- EdPuzzle
- TurnItIn

2021-22 Cape May Tech Tutoring Program

Cape May Tech offers free tutoring to students after school, Monday through Thursday. There are two ways to receive this free service!

Tutoring begins at 2:45 pm until 3:25 pm daily. Buses are provided.

Option 1 (Based on Teacher/Guidance Recommendation or Parent/Student Request)	Option 2 (Drop-In)
Based on academic performance, a student's name will be recommended to the tutoring coordinator. The coordinator will reach out to the student and family to schedule recommended times for tutoring. Targeted assistance will be offered for academic success.	Any student, grades 9-12, is welcome to sign up; see options below for drop-in tutoring. • Ask your teacher for information. • Email nembs@capemaytech.com by 2:30 pm each day for information regarding your tutoring needs. She will respond to which room to report to!

Intervention & Referral Services

The I&RS Team includes:

- Teachers
- School Psychologist
- Learning Disability Teacher Consultant
- Nurse
- Administrators
- Guidance Counselors

Responsibility of the I&RS Team:

- Collect and analyzes data
- Identifies barriers to student performance
- Determines interventions and sets an action plan which is monitored by an assigned case manager from the team

504 Plans

- A 504 plan is a legal binding plan, developed for an individual, who has a diagnosed physical or mental impairment that affects the student's educational success.
- Allows for adjustments, modifications and accommodations to the environment, work pace, presentation of materials, assignments, testing and grading.
- Written by the individual's guidance counselor and completed through the Guidance & CST departments.

The Child Study Team & IEPs:

- Offers support services to students found eligible for Special Education and/or related services through the development of an IEP.
- An IEP is a legal binding written document that identifies the areas of strength and weakness while providing a guideline for individualized programming.

Academic Program Options for individuals with an IEP:

- In-Class Resource Classrooms (Inclusion)
- General Education Classrooms
- **Career Tech programs are fully mainstreamed with instructional aides for exploratory.

Cape May Tech's Instructional Goals & Initiatives 2021-22

- Provide enhanced academic supports for student achievement.
- Increase the use of technology in support of instructional delivery and differentiation for all learners.
- Promote stakeholder engagement through Advisory Committees and agency partnerships to enhance student achievement of Career Ready Practices.
- Provide resources for interdisciplinary instructional delivery through standards-driven planning, assessment and learning teams.
